

A new ministry we are doing for our community...

Heart to Heart/House to House is a direct mail publication written by the Jacksonville (AL) church of Christ and supported by the **Point Pleasant church of Christ**. Over 1,000,000 copies are sent around the world, with over 1,000 mailed out in the **Hebron, KY** area alone, every other month.

Heart to Heart/House to House is an attractive, sound, and evangelistic publication. Readers are exposed to articles on a wide range of Bible topics— from the existence of God to the creation of the world; from Christian living to the danger of false doctrine; from the restoration movement to God's plan for the family; from the love of God to the inspiration of the Bible; from the greatness of Christ to the necessity of church attendance.
